## Reasons why you should train at Christian Renewal Bible College

The College is committed to radical New Testament Christianity - relevant without compromise.

We uphold the whole Bible as our standard of faith and practice. We are fundamental and evangelistic.

We uphold the person and power of the Holy Spirit as being fully for our times. This is what our Lord Jesus promised and as shown in the Book of Acts and New Testament letters. We are Pentecostal, Charismatic, and Full Gospel.

The College is based in a vibrant, New Testament pattern local church. Training in this way has many advantages. This in the way New Testament local churches trained their leaders. Teaching and practical opportunities to serve need to go together.

The overall two-year curriculum is comprehensive, with emphasis on developing practical ministry and evangelism skills.

The College has a strong evangelistic and missions orientated vision.

Prospects for Christian service after graduation? Jesus said, "The harvest is plentiful, but the labourers are few..." There are many opportunities available to committed graduates.

## Other advantages when you study at Christian Renewal Bible College

Long term (2 years), and short term (6 months, 1 year, 18 months) tuition provided. Very flexible to assist student circumstances.

Very experienced tutors. The founder/principal is an apostolic ministry, church planter, and senior pastor of Christian Renewal Fellowship, a thriving city church. Others on the pastoral team also tutor. Students are trained by hands-on Ephesians 4:11 ministries, the giftings that our Lord Jesus specified to be the ones to equip God's people. Guest tutors also teach.

A wonderful group of students, very open to God and supportive of one another.

The College is very open to the wider Body of Christ. Though operating out of a local church, students are received into the College for training from other local churches. They are free to attend the local church of their choice.
